

NAME

mate-screensaver - The MATE Desktop Screensaver and Locker

SYNOPSIS

mate-screensaver [**OPTIONS**]

DESCRIPTION

MATE Screensaver is the default screen saver and locker for the MATE Desktop. It is designed with simplicity and security in mind. **mate-screensaver** integrates well with the MATE desktop, and it supports User Switching and the ability to lock down configuration settings.

OPTIONS

--display=DISPLAY

X display to use.

--no-daemon

Don't start as a daemon

--debug

Enable debugging messages for **mate-screensaver**

--version

Output version information and exit.

-h, --help

Print standard command line options.

--help-all

Print all command line options.

This program also accepts the standard GTK options.

BUGS

Should you encounter any bugs, they may be reported at:
