NAME

rtw88fw - Firmware modules for Realtek rtw88 wireless network driver

SYNOPSIS

The rtw88(4) driver should auto-load any firmware needed. It is discouraged to load the driver or firmware manually from loader(8).

DESCRIPTION

Multiple modules provide access to firmware for the various chipset models supported by the rtw88(4) driver.

FILES

A copy of the rtw88(4) firmware license is installed at
/usr/share/doc/legal/realtek_rtw88_firmware.LICENCE.

SEE ALSO

rtw88(4), firmware(9)

HISTORY

The **rtw88fw** firmware modules first appeared in FreeBSD 14.0.
