NAME

zip_get_num_files - get number of files in archive (obsolete interface)

LIBRARY

libzip (-lzip)

SYNOPSIS

#include <zip.h>

int
zip_get_num_files(*zip_t *archive*);

DESCRIPTION

This function is deprecated. Use zip_get_num_entries(3) *instead.*

The **zip_get_num_files**() function returns the number of files in *archive*.

RETURN VALUES

zip_get_num_files() returns the number of files in the zip archive, or -1 if *archive* is NULL.

SEE ALSO

libzip(3), zip_fopen_index(3), zip_stat_index(3)

HISTORY

zip_get_num_files() was added in libzip 0.6. It was deprecated in libzip 0.11, use
zip_get_num_entries(*instead*) instead.
